A BIT ABOUT US

The Maritime Museum of BC opened in 1955 as a naval museum located on Signal Hill just outside the gates of the HMC Dockyard in Esquimalt, then moved in 1965 to the historic Bastion Square Courthouse in downtown Victoria. The Museum has since relocated to a new public storefront location at 744 Douglas St., where we have our exhibits, public research space, and a gift shop. The majority of our collections are now stored off-site but are still accessible through our research request program.

Mission:

Engage communities in witnessing and preserving maritime heritages.

Vision:

Maritime experiences are boldly embraced, shared and lived from a cultural centre on the waterfront.

Values:

Inclusion: We embrace diversity, equity and accessibility in all we do. We are welcoming.

Respect: We are compassionate, empathetic and humble. Our results are propelled by collaboration and teamwork.

Integrity: We are open, honest and transparent. Our work is anchored by being responsible, accountable, authentic, and socially and environmentally responsible.

Innovation: We are curious, dynamic and adventurous. Our work is fueled by passion, action and flexibility.

Salty: We are everything maritime. Our work is meaningful, impactful and relevant.

The museum cares for a collection of approximately 35,000 objects, 200 meters of archival materials, and 8,500 library books, along with three sailboats. We offer a series of programs targeting different demographics and we host several major events throughout the year including the Victoria Classic Boat Festival.
